Today's modern 800 # Technology has given marketing a whole new dimension. Special 800 #'s are assigned to give your home increased exposure. I have found this non-confrontational approach to marketing to work well with buyers, stimulating their interest without the pressure of a salesman! Prospective buyers (or referrals to the buyer) simply call the 1-800 #, enter in the assigned code, and have an audio tour of your home.
